

Christian Values ... British Values ... Scargill Citizen Values.

As a Church School, we maintain an ethos that is based on **Christian values**. We encourage children to behave and act in a way that matches these values.

As a Derbyshire school, we promote the **British Values** (as laid out in the PREVENT strategy 2011). In simple terms these values encourage children to hold true to the following core values:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect for one another
- Tolerance of those of different faiths and beliefs

In Scargill, we have been trying to encapsulate both of these sets of values in what we have called our **SCARGILL CITIZEN VALUES**. These have been suggested by staff and pupils and have formed the basis of Mr Poole's collective worships this academic year.

We feel that children who display these core values in their everyday life at home and at school are building the foundation towards a successful future as a citizen of our community ... our country ... our world.
