

Dear parents,

Some useful information regarding end of term:

Children have already been told to take home P.E. kits today (Friday 15<sup>th</sup>) as they will not be needed again this year. Any left kit may be put in lost property, so please encourage children to check their kit carefully.

The Y5/6 party will be on the afternoon of Monday 18<sup>th</sup> December. Children will need to come to school **in uniform**, but can bring in party clothes to change into (no makeup however!). They will be given some party food in the afternoon- any children with allergies/intolerances will be catered for separately.

On Tuesday 19<sup>th</sup>, children can bring in a game to play with in the morning. Board or card games are best, so that children can play together- no tablets/phones/portable consoles etc. It would be good for children to bring a carrier bag on the last day too, for children to take anything else which needs going home, such as the calendars & cards they have made.

School will re-open on Wednesday 3<sup>rd</sup> January. Have a good Christmas break, and thanks for your support during this busy term!

The Y5/6 Team
