

Deer at White Post Farm 2018

On Monday 23rd April 121 Scargill children went to White Post Farm! Year 1 and 2 children were so excited about going.

When Rachel talked to us some sheep kept baaing loudly! It was very difficult to hear her! It made us all laugh. BAA!!!

We enjoyed our lunch, but didn't have long to eat because there was so much to see!

We held or stroked a chick, mouse and a Guinee pig.

We saw some ducks and visited the incubation area where the chicks were being looked after.

We got to feel a snake. We had to be really quiet so that we didn't scare the reptiles.
