

## Pets in school day

Rabbit class thoroughly enjoyed meeting the pets in school on Wednesday 24<sup>th</sup> October. We found out lots of interesting things about them. Here are some of the pets we saw and things we learned:

This is Genevieve the bulldog and Willow who is from a rescue centre. Genevieve takes a lot of looking after because of her folds of skin.

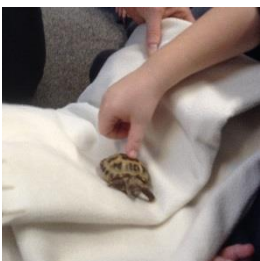

We also met a dog called Molly and 2 puppies called Narla and Willow. The puppies were very cute, but tired, after the excitement of meeting everyone!

This is Pusscat. She is a lovely soft, white, fluffy cat who is 18 years old. Did you know that cats shouldn't drink milk?

This is Mushu the bearded dragon. He is only 7 months old and he will grow to twice this size! When he gets angry, his chin puffs up and his beard turns black!

We met 4 guinea pigs called Lucy, Lola, Simba and Chase. The guinea pigs like hay to eat and also vegetables to keep their teeth from growing too long.

This tiny tortoise is called Mojo, who is 3 years old. Mojo likes to eat green vegetables.
