

# Badger Superheroes

The superhero physical challenge tested the superheroes! There were lots of superhero movements and poses. Badgers would make excellent superheroes!

Flying superheroes.  
Crawling superheroes.  
Jumping superheroes.

Badgers also enjoyed cape decorating and a spot of superhero yoga!

The Badgers turned into Superheroes this week. They had to make superhero food and do a spot of washing up!

Gizmo making. So many different ideas. #Creative Badger
