### **Open Morning**

Dear parents/carers,

You are invited into school during the morning of **Wednesday 23<sup>rd</sup> January**. Please join us for the whole morning or just part of it. Parents will be able to see their own children learning in their classes as well as see what activities are taking place in other departments. You will also have the opportunity to meet some of our Governors and Leadership Team.

Outlined below is a timetable of events taking place throughout the morning.

**9.00** - Parents enter school through the main office entrance and sign in. The children will be gathering for Praise Worship. Key Stage one and EYFS children in the Old Hall and KS2 children in the New Hall. Please go into whichever hall you like (there will be some chairs at the back for you) and you can listen or even join in with some singing!

**9.20** – Parents please gather in the New Hall for a short welcome meeting from the Head of School, Mrs Hallsworth, and the Executive Head Teacher, Mr Hetherington.

**9.30** – Lesson 1 will commence as in the chart overleaf.

From approximately **10.00**, refreshments will be available in the New Hall.

**10.30-10.45** – Break time. The children will go out to play. For safeguarding reasons, I'm afraid you won't be able to go out and play with your child so pop to the New Hall for a coffee and a chat with other parents, Governors or teachers. Some of our talented musicians will be playing in there too.

**10.45 – 11.45** - Lesson 2 will take place.

**11.45** – Time to leave your children to the rest of their school day! Please exit through the main office door.

We look forward to seeing you there.  
Kind regards,

Mrs S Hallsworth & Mr M Hetherington  
Head of School                  Executive Head

Respect children getting changed for PE and keep away from classroom doors/windows at that time.

Only use the staff toilets situated near the office – not the children's toilets.

To avoid congestion, pushchairs can be left (at your own risk) in the pushchair park by the main entrance.

Parents are responsible for any younger children they bring.

In the event of a fire alarm, please allow teachers and TAs to deal with the children and exit via your nearest exit then gather on the playground to await further instruction.
