Dear Parents/Carers of Tiger Class

I am writing to let you know that unfortunately Mrs Daykin will be leaving at the end of the Spring Term. She has secured a teaching position at another church school in Derby. We will be extremely sorry to see her go but wish her the very best of luck for the future.

We are currently making arrangements to ensure the class is covered by an excellent teacher for the remainder of the school year. We will give further details when we are able.

If you wish to discuss the matter further please come and have a chat with either myself or Mr Hetherington.

Yours faithfully

Mrs Hallsworth
Head of School
