Hello!

We are really looking forward to your visit to Lea Green. Whether you are building dens in the woods, climbing on the low ropes course or exploring the grounds around the house you are guaranteed to find out that learning can be fun!

Aims:

- Working together as a team
- Looking after your group members
- Trying something new

Your stay at Lea Green will give you a chance to experience and enjoy a wide range of activities; to learn more about staying safe and managing risk; and make a positive contribution to your group.

To get the most out of your stay you need to put a lot into them. Bring your sense of adventure with you!
