

Remote Learning Year 4

Tuesday 20th July

Handy Hands!

Today we will be doing hand themed activities as we were going to an art project looking at hands.

You can do the following activities in any order throughout the day but if you are able to join the Zoom at 10am (same code as yesterday) then save the English for after that as we will look at the poem together in the Zoom.

👏 English - Read this poem by Michael Rosen

<https://www.scottishpoetrylibrary.org.uk/poem/these-are-hands/>

- What do you think of the poem?
- Who do you think it is about?
- What clues are there?
- What is the structure of the poem?

Watch this reading of the poem:

Think about other jobs where people use their hands a lot e.g chef, parent, tennis player, gymnast, artist. Write your own version of the poem about the job you have chosen using Michael Rosen's poem as a starting point. Write or type up your poem and illustrate it.

👏 Art - Look at the example of hand art on the sheet on the website.

- Which do you like the most? Why?
- Why do you think lots of artists draw and sculpt hands?

Use the following tutorials to create your own hand artwork - either sketching a hand, creating a hand optical illusion or both.

If you can't watch the tutorials you could try sketching your own hand or creating some hand print art.

Remember to send your work in either via Purple Mash or y3-4department@scargill.derbyshire.sch.uk
