

## Reception Home Learning Spring 2 – Week 2

	<b>Topic</b> <i>The big five of Africa</i> <i>(animals, savannah, landscapes, safari)</i>	<b>Literacy</b> Animals	<b>Maths</b> (subtraction using a number line)	<b>Phonics.</b> Consolidating phase 3 sounds for recognition. Applying the phase 2 and 3 sounds – independent writing	<b>Additional</b>
<b>Monday</b>	Look at the safari animal powerpoint. Talk about the different animals. Create some animal patterns 	Alphabet work – say the alphabet. Write the alphabet in in lower case and then write the alphabet again using uppercase letters (Capitals) Complete the matching sheet – (printable resource)	Watch the emailed video clip of Mrs Chisholm talking about subtraction. Using objects and a number line practise subtraction.	This is a really important term to consolidate the recognition and application of the phase 2 and phase 3 sounds. Therefore, no new sounds will be introduced but we want the children to start writing the sounds independently and within words and sentences. Use the materials from last term to support your child's learning. I have also attached some optional extra's for phonics for the whole term – these are optional and do not have to be used. Just be imaginative and encourage your child to write as much as possible independently. Try hard not to spell words out for them, but just segment the word so that they can write it.	PE – link below Yoga – Link below
<b>Tuesday</b>	PE - Follow the link below.	Safari writing – chose one animal and write about it, describe what it looks like, think about shape, colour and patterns etc	Recap using a number line to subtract. Complete the subtraction worksheet (printable resource)	Practise writing the alphabet. Can they order some items alphabetically – ie: apple, bat, dog, mum, rug	
<b>Wednesday</b>	Thinking about the African animals make an animal silhouette in the sunset.  It can be any animal, you could use chalk, crayons or paint to blend the background, then draw the animal, colour it black and glue it on to your sunset	RE – Look at the powerpoint Jesus feeds the 5000. Discuss the power point then complete the mindfulness colouring. Extra could be to make your own bread (recipe emailed)	Play the number subtraction bus game, use a number line to help if needed.	Safari home learning challenge (printable resource)  Safari shadows (printable resource)  Relaxation – link below	

## Reception Home Learning Spring 2 – Week 2

<b>Thursday</b>	World Book day – Listen to as many animal stories as you can, carry out as many activities related to animals as you can. Read as much as you can, Dress up, put on a story, make stories up – Have lots of fun!				Lots of activities of World Book day website. -Link below
<b>Friday</b>	Watch Andy's adventures link below.  Play with animals or create your own animal safari park.	Write a few sentences about the best book you liked on World Book day – can you say why you liked it?	Thinking about what you have learned over the last 4 weeks with addition and subtraction, complete the sheet by adding the correct symbol of + or -	Record your child reading a book and upload to tapestry.	Safari writing (printable sheet)  Listen to African animal noises link below
