

### What Has Happened This Term?

It may have been a shorter term, but it has certainly been action packed! The children have been busy learning more new skills, building on previous learning and have shown their ever increasing knowledge through the use of Revisit, Remember and Respond (RRR) at the start of each lesson.

We got off to a brilliant start to the term by celebrating World Book Day, children enjoyed sharing books with Y5/6 and Y1/2 in our buddy session. They also spent valuable time in our school library where Gangster Granny shared some of the recommended reads and spoke to the children about how the library can be used- lots of excitement about reading. Thank you to everyone who contributed to the 'Masked Reader' videos, everyone, including staff, enjoyed trying to work out who was behind the mask! Maybe the start of a new Scargill tradition...

We also spent the first week preparing for our Talk For Writing unit, which included making our very own woolly mammoths. Would you know how to make a Woolly Mammoth?

A big part of this term has been the singing rehearsals for our Sing2gether event at Derby Cathedral. At the time of writing this letter we are fully prepared and cannot wait to get there to sing our beautiful songs. There will be plenty of happy tears in eyes, so tissues may be needed.

For more Year 3&4 photos please visit the Year 3/4 section on our school website.

### Communication

If you would like to speak to your child's class teacher please either email in to the department (see details at the bottom of this newsletter)

If you are unsure about anything please do speak to your child's class teacher who will be happy to help.

When the Edale trip takes place we try really hard to take photos during the day and share these through our twitter feed. Please be aware that we are not always able to get photos out at the time the photos are taken due to technology issues and also our focus on the children. Whilst we try our best to include all children in the photos at some point during their trip, this cannot be guaranteed as we are taking snap shots of the day.

### Important Reminders

Egg entries/ Easter cards need to be sent in on Friday 31<sup>st</sup> March ready for judging. Please make sure your child's name and class is somewhere on the card/ egg.

A few parents have asked for information about our Readathon- please visit our website- News-February- Readathon Letter February 2023 for all the information needed. Closing date is Friday 21<sup>st</sup> April, so you have a little longer to get those sponsors arranged and sent in. #Read for Good
