Home Learning Support

Dear Parents,

Thank you so much for all of your support during this time. We'd just like to update you with a few things regarding home learning.

Support with devices & internet access

If your family is struggling with not having enough internet-enabled devices at home, do please get in touch via email info@scargill.derbyshire.sch.uk or phonce call 0115 9320005. We have ordered a small number of laptops from the Department for Education but they have not yet arrived. Once they arrive we will issue these to the children MOST in need.

Additionally, some UK mobile networks are providing free mobile data to some customers for home schooling throughout lockdown. To apply, you need to read the attached Privacy Policy attached and then contact us with the following details:

- the name of the account holder
- which mobile network you (or your child) is on
- whether it's pay-monthly or pay-as-you-go,
- the relevant mobile phone number to assign the data to.

You can read more information about it here:

<https://www.techadvisor.co.uk/how-to/internet/get-free-data-home-schooling-lockdown-3800116/>

We also have a small number of Vodafone Free Data SIMs available. These have 30GB to use for 90 days.

For safeguarding purposes your child **MUST** use their **own name** when logging into a Zoom meeting- please ensure the device name is set to their own name. The best way to do this is when you enter the meeting ID, you can set the name of your device to your **child's** name.

If the device name does not match a name of a child in the year group, the teachers will not let them enter the meeting for safeguarding reasons. Please ensure you read and discuss the Zoom Code of Conduct (attached) with your child to ensure they adhere to the rules.

Thank you for your continued patience and support.

Kind regards,

Mrs S. Hallsworth
Head of School
