Dear Parents/Carers,

As many parents will be aware, we have had a difficult week in school with many potential cases of Covid-19. We just wish to reassure you that we are continuing to adhere to the school's risk assessment, follow the Government guidelines and advice the Department for Education. You will always be notified if any positive cases for pupils or staff require further action relevant to your child.

Our priority continues to be that your children are safe and can attend school for as many days as possible. We appreciate your patience and understanding whilst we fully check the details on each individual case. As we would hope you realise, we can only act on the information we have, when we have it. We would ask that you continue to trust that we are acting responsibly and taking swift action when needed.

Thank you for your continued support.

Kind regards,

Mrs Hallsworth & Mr Hetherington  
Head of School Executive Head
