

Please can you help your child to research a family member (living or not) to write a Biography about? It would be a nice link to our topic if there is someone that achieved something particularly significant in their lifetime, for example a war veteran or maybe a winner of an award. It could be a nice link to the current situation for the children to write about a family member who is a key worker that has helped to keep the county going during the lockdowns, for example. Or they can just choose someone who is significant to them in anyway - as long as they can explain why. Please use the sheet to help you child record in *note format* only - just key events or achievements and be as specific as possible with facts (places, names, dates etc)

WALT Find out facts about a family member for a Biography

Title	
Introduction (5Ws)	Who? When? Where? What? Why?
Childhood	
Early life, events and achievements	
Later life, events and achievements	
Ending (If not alive, how or what are they remembered for? For people living - Most significant event/achievement? Why is this person important or significant to you etc..)
