

## Year 1 and 2 Homework

Homework is an important part of school life. It is used as a means of supporting children to revisit and remember things they have learnt in class. This in turn helps them to be able to boost their recall, and secure their understanding of a variety of knowledge and skills.

Homework is also used to develop the children's thinking skills and confidence with a variety of activities.

In Year 1 and 2 we use a combination of paper based homework, (which once completed at home needs to be stuck into their homework books before returning to school) and online homework using Purple Mash and My Maths. Your child has been set up with login details and these will be sent home in readiness for the online activities. Please keep these login details in a safe place. Your children will initially need help logging on, but will need to develop independence in doing this themselves.

Homework is usually set on Mondays, with the table below detailing which homework will be sent and when.

Homework type	Date set	Return by:
Paper based	12.9.22	20.9.22
Online	19.9.22	27.9.22
Paper based	26.9.22	4.9.22
