Dear Parent/Carer

Returning to school is going very well and thank you for all your support. We know we are part of a fantastic community who want to ensure we remain as safe as we possibly can. Please can we remind all parents/grandparents/Carers that they are expected to wear a face-mask when they are on the school premises.

Today we reminded the children to stay with their collecting adult as they left the school site. However, it has been brought to our attention that some children were running off unsupervised from their adult. This meant they were not keeping a social distance from other families which has caused anxiety and concern.

Please can you ensure social distancing is maintained as you travel home. It is important that we all continue to be responsible in our actions to keep our community safe.

Yours sincerely

Mrs Hallsworth
Head of School
