

# Hand it over Gallery

at Erewash Museum

Ever wondered what it would be like to display your artworks or special objects in a real art gallery or museum?

We are handing over our exhibition space to any children or young people who would like us to display their paintings, drawings or creations in our beautiful art gallery. We are also inviting children and young people to bring in an object that is special to them, and we will display it safely with some information about why that object is important!

It could be anything... a pebble found on a favourite beach, a postcard from a far away place, a favourite toy from when you were a baby, or perhaps something a Grandparent has passed to you to look after. All objects and artwork will be cared for by our museum team, and kept safely for you to collect at the end of the exhibition.

All artwork and objects to be brought to the museum by 4pm on Saturday 24th September 2022.

October 1st – exhibition opening party for all contributors!!!! 11am to 1pm
