

# Geography

## Marvellous Maps

# Compass Points

# Aim

- I can use the eight compass points to describe routes on a map.

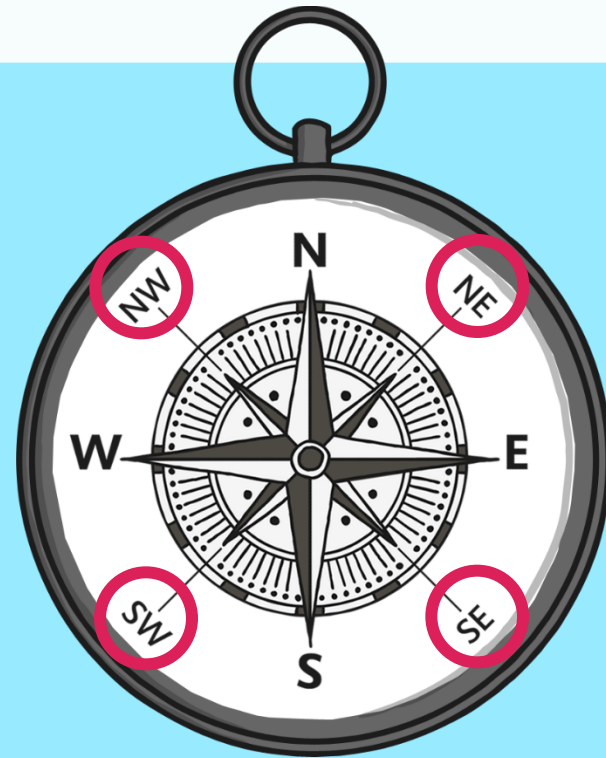

# Success Criteria

- I can tell you the eight compass points.
- I can follow directions using the eight compass points.
- I can give directions using the eight compass points.

# Where Shall We Go?

Can you explain how each point got its name?

# Where Shall We Go?

What direction would you travel to get from the treasure to the forest?

What direction would you travel to get from the coins to the volcano?

What direction would you travel to get from the cutlass to the coins and then to the palm trees?

# Giving Directions

		bakery 			mosque 
church 		park 		hospital 	
	taxi rank 		post box 		café 
fire station 		toy shop 		airport 	
	school 		vets 		pool 
fair 		police station 			beach 
bus stop 		dentist 	START 		supermarket 

Now it's your turn!

Use your map to give directions between two (or more!) places.

Try to give the most direct route.

# Aim

- I can use the eight compass points to describe routes on a map.

# Success Criteria

- I can tell you the eight compass points.
- I can follow directions using the eight compass points.
- I can give directions using the eight compass points.
