

Dear Parent/Carer,

We hope this letter finds you and your family safe and well at this time.

We are delighted to announce that we will be running a holiday club at Kirk Hallam Academy this Winter!

And in even better news we have been able to access funding through the governments 'Holiday Activity and Food Programme' which means this will be **FREE for children eligible for free school meals. Furthermore lunch will be provided for each child attending every day!** This is an absolutely amazing opportunity, and we are initially offering this exclusively to children who attend **primary schools in the surrounding area.**

The Holiday club will run from **10:00 – 14:00 Tuesday 03rd January – Friday 06th January.** It will be available to children aged 5 – 11. Children should bring plenty of water for the day.

At the holiday club children will take part in a wide range of activities including sports such as football, basketball, cricket, dodgeball and many others. There will also be an opportunity to take part in performing arts sessions as well as arts and crafts each week.

We expect the uptake will be huge and so we will be monitoring attendance, and any children regularly missing any days that have been booked will have future bookings cancelled to free up the place for other children.

In order to book a place for your child please go click on the link below to go straight to the booking page. We will check with the school that your child is eligible for free schools. Any bookings made for children who do not qualify will be cancelled.

<https://family.premier-education.com/add-course/803762>

We expect there to be huge demand for this due to the funding and places are offered on a first come first served basis.

If you have any questions please don't hesitate to contact us on the details below.

We look forward to seeing you and your child this Winter.

Kind Regards

Andrew Mellors
