Monday 23rd January 2023

Dear Parents/Carers,

We are delighted to have booked The Peak Centre at Edale for a Year 4 residential for 2 nights, week beginning 17th April 2023.

This is a fantastic, inclusive opportunity for your child to develop their independence skills and take part in many exciting activities. This residential trip has run for many years and every time the children return having had a wonderful time.

We would like to invite you to an information evening on Thursday 2nd February 2023 at 5pm to find out about what the trip will include and hopefully answer any questions you have. We do ask that this is for parents only, as teachers will share information with the children separately nearer the time of the residential.

If you would like to attend the information evening, please sign up using your child's ParentPay account by Monday 30th January.

Many thanks,

Year 4 Team
