Universal Infant Free School Meals (UIFSM)

In 2014 the UIFSM policy was introduced. All children in reception, year 1 and year 2 were entitled to a free meal regardless of personal circumstances. This is subject to change with government policy but has been confirmed for the academic year 2019 to 2020. To get your free meal please ask at your child's school.

[Website](http://www.derbyshire.gov.uk/freeschoolmeals)

Free school meal entitlement

All children aged 3 to 18 at Derbyshire nurseries or schools can get a free meal if they qualify.

Qualifying criteria:

- Universal Credit, provided they have an annual net earned income not exceeding £7,400 (£616.67 per month)
 - Income Support
 - Income-based Jobseekers Allowance
 - Income-related Employment and Support Allowance
 - support under Part 6 of the Immigration and Asylum Act 1999
 - the guarantee element of State Pension Credit
 - Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190) as assessed by HMRC
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)

Universal Credit has begun to be rolled out in Derbyshire and will affect all areas of Derbyshire by the end of 2022.

Most families will not be affected by the new criteria. Families who are currently claiming free school meals, but fail to meet the new criteria, will continue to receive free school meals until the end of the Universal Credit rollout period, even if they continue to appear as no longer eligible on future reports. The rollout period is currently scheduled to end in March 2022.

Once Universal Credit is fully rolled out, pupils will keep their free school meal entitlement until the end of their current phase of education, that is, primary or secondary.

[Read more about free school meals guidance for schools and local authorities.](#)

Young people age 16 to 18 who receive the benefits or tax credits in their own right are also entitled to receive free school meals.

Even if you meet any or all of the criteria, families will not be eligible if they are claiming Working Tax Credit.

Applying for free school meals

You can sign up for free school meals at any time of year.

You or your partner can claim for your children, as long as you live at the same address.

You do not have to fill in a separate form for each child, even if they go to different schools. Just name the child and which school they go to.

If another of your children starts school and one of your children already has free school meals, we can add them to the application you already have. Just call the free school meals team tel: 01629 536400 or 01629 536481.

Apply for free school meals

If your circumstances change or you stop getting some benefits, you must contact us, tel: 01629 536481.

Derbyshire Welfare Rights Service

Welfare Benefits

Thousands of people in Derbyshire are missing out on benefits that are theirs by right.

Sometimes the system doesn't make it easy for you to understand the rules about benefits or how to claim the benefits you are entitled to.

We can help with advice and can take on any representation that you may need.

- We deal with welfare benefits and tax credits, sometimes referred to as social security.
- We can give advice over the phone about which benefits to claim and how to claim them.
- We can send out claim forms and advise on how to challenge decisions by the benefits authorities.
- We can assist with benefits appeals, including representing Derbyshire claimants at tribunal hearings.

If you disagree with a benefits decision you only have one month in which to challenge the decision, so you need to seek advice right away.

If you need help filling in benefit claim forms, your local Citizens Advice Bureau can help.

Contact us

Email welfarebenefits@derbyshire.gov.uk or phone our benefits helpline, 11am-4.00pm, Monday,

Warm Home Discount Scheme

Overview

You could get £140 off your electricity bill for winter 2020 to 2021 under the Warm Home Discount Scheme. The money is not paid to you - it's a one-off discount on your electricity bill, between September and March. You may be able to get the discount on your gas bill instead if your supplier provides you with both gas and electricity. Contact your supplier to find out.

The discount will not affect your [Cold Weather Payment](#) or [Winter Fuel Payment](#).

Eligibility

There are 2 ways to qualify for the Warm Home Discount Scheme:

you get the [Guarantee Credit element of Pension Credit](#) - known as the 'core group'

[you're on a low income](#) and meet your energy supplier's criteria for the scheme - known as the 'broader group'

How you apply for the Warm Home Discount Scheme depends on how you qualify for the discount.

Pre-pay or pay-as-you-go meters

You can still qualify for the discount if you use a pre-pay or pay-as-you-go electricity meter.

Your electricity supplier can tell you how you'll get the discount if you're eligible, for example a voucher you can use to top up your meter.

Park (mobile) homes

You apply a different way if you live in a park home.

Park home applications for winter 2020 to 2021 are now closed.

[Fill in the Park Homes Warm Home Discount application form](#) to be contacted when the scheme reopens.

Forces in the community are a charity based in Beeston. The charity delivers tailored employment guidance, housing advice, mental health support and counselling, and benefit and welfare advice.

Erewash Borough Council has specialist Housing Options Officers whose role is to try and get involved at an early stage to work with those people who are in housing crisis and who may be in fear of losing their home.

What help can be provided?

The officer will work with potentially homeless households and other parties to try and prevent the homelessness. These include:

- Landlords
- Housing associations
- Mortgage companies
- Housing benefits' staff
- Debt agencies
- Other advice agencies
- Other support agencies

Mediation, such as talking to family, friends and relatives, if this is helpful.

As well as negotiating on your behalf with the above, Erewash Borough Council has a number of homeless prevention tools that we can use in order to prevent your homelessness. These include but are not limited to:

[Debt Advice](#)

[Bond Guarantee Scheme](#)

Re-housing in the private and social rented sector through [Home Options](#)

[Discretionary Housing Payments](#)

Referrals into [supported accommodation](#)

What if the Housing Options Officer cannot help?

We will make every effort to prevent your homelessness. However, there will be some cases where we are unsuccessful in stopping your homelessness. In these cases you will be treated as potentially homeless. If you think you may be at risk of homelessness it is very important that you do not delay seeking advice. Whilst it is never too late to seek assistance the earlier you contact us the more chance we will have of being able to prevent your homelessness.

What do I do next?

Telephone as soon as possible on 0115 907 2244 ext 3590 or email homelessness@erewash.gov.uk.

Please contact your housing provider or mortgage lender (these details will be on any correspondence that you have received from your provider)

Morrisons Foundation – Covid 19 Homeless Support Fund

The Morrisons Foundation has announced a Homeless Support Fund aiming to fund charities caring for the homeless during the Covid 19 outbreak and ensure help gets to those who need it. The Foundation recognises that homeless people are particularly vulnerable to Covid 19 because of underlying health conditions and are less able to access basic sanitation.

There is a total of £500,000 for this fund and awards of up to **£10,000** are available. Smaller requests will allow more charities to be supported from the fund.

Registered charities that care for the homeless can apply to cover the broad areas:

- Outreach and support to rough sleepers
- Delivery of services in hostels and shelters
- Information and advice

Applications can be made at anytime.

If you're struggling with finances and finding it difficult to pay your rent, it's important that you act as soon as possible to avoid becoming homeless.

Home visits

After you call CAP, a Debt Coach from a local CAP Debt Centre will visit you in your own home.

An effective budget

Our trained debt counsellors will work out a realistic budget that prioritises your essential bills. We will negotiate affordable payments with each creditor and attempt to stop unfair interest and charges where possible. Your local Debt Coach will then explain the budget and the payments you will need to make.

CAP Plan

In most cases, a CAP Plan is set up for you. You will need to make one monthly payment into your CAP Plan to cover your debts and also bills if appropriate. CAP will then distribute this on your behalf. You can also build up savings through your CAP Plan.

Severe debt

If you are in severe debt, then we can walk you through insolvency options, such as petitioning for bankruptcy. We can help you to fill out the forms and even attend court with you.

Debt free

You can use your CAP Plan to pay your bills and debt repayments until you are debt free.

Does it cost anything?
No. Our service is completely free. We are able to provide a totally free service because CAP is a charity and receives donations from churches and individuals who want to help people.

Will my creditors cooperate with you?
Yes. We have worked with over 1,000 companies within the finance industry and we are well respected. This means that councils, utilities and mortgage companies work with us because they have seen the results of our involvement. They know we offer fair repayments based on what you can afford.

Is CAP just for Christians?
No. CAP will help anyone regardless of their religious beliefs. We monitor our services to ensure that everybody receives the same caring service regardless of race, nationality, religion, age, gender, marital status, or disability.

The coronavirus (COVID19) outbreak is going to have an impact on everyone's daily lives, as the government and the NHS take necessary steps to manage the outbreak, reduce transmission and treat those who need medical attention.

It may be difficult, but by following guidance on social distancing, or staying at home, you are helping to protect yourself, your family, the NHS and your community.

During this time, you may be bored, frustrated or lonely. You may also feel low, worried, anxious, or be concerned about your health or that of those close to you. Everyone reacts differently to events and changes in the way that we think, feel and behave vary between different people and over time. It's important that you take care of your mind as well as your body and to get further support if you need it.

Derbyshire Community Response Unit

Derbyshire County Council are coordinating a community response across the county to make sure vulnerable residents are supported through the coronavirus outbreak.

As further pandemic restrictions take effect in England, the Home Office has joined forces with charities including the NSPCC, Barnardo's and The Children's Society to launch a new campaign to protect victims of child abuse. The month-long campaign, 'Something's Not Right', encourages young people to recognise different forms of abuse, report it and get help.

The campaign will see animated adverts aimed at secondary school pupils aged 13+, running across Instagram, Snapchat and Facebook. Young people will be directed to a dedicated page on the NSPCC service Childline where they can access information and seek support.

The campaign follows evidence suggesting that young people faced a greater risk of sexual abuse, criminal exploitation and domestic abuse due to the impact of coronavirus. The monthly average number of Childline counselling sessions about domestic abuse and abuse increased by 20% and 22% respectively in April to July 2020, compared to pre-lockdown levels.

The Internet Watch Foundation revealed that there were almost 9 million blocked attempts to access child sexual abuse material during the first month of restrictions alone. This trend has continued, with the charity

Derbyshire Recovery and Peer Support Service - Service Update January 2021

The Derbyshire Recovery and Peer Support Service provides person-centred mental health support across Derbyshire helping individuals achieve small practical goals to support them to better manage their mental health independently. The service also supports a network of peer led support groups, provides a package of support and training to potential volunteers, runs an emotional support helpline and launched pilot scheme 'Tech Buddies' prior to Christmas which aims to address digital exclusion across Derbyshire helping those experiencing isolation become connected to digital support services.

Living with a Long-Term Condition Programme

The programme helps you take control of your long term health conditions, helping you live well. anyone can join this free 6 week course to help you manage day to day

The Living with a Long-Term Condition Programme aims to help you take control of your long term health conditions, helping you live well.

Programme is for anyone living with any long term health condition(s). Join this FREE 6 week course to help you manage your day-to-day life.

This programme is for you if:

- Your illness is affecting your everyday life
- You want things to change for the better.
- You want to achieve the best quality of life despite your condition

Work with patients, carers and healthcare professionals to create a community of people who can share the skills and knowledge to help you gain confidence and live a fuller life.

The Course

People with long-term conditions face many similar issues such as fatigue, pain, frustration, stress and depression.

The course looks at how to manage these whilst working alongside your healthcare providers. By joining the course you will:

- Learn new skills to manage your health condition better
- Feel confident and more in control of your life
- Develop confidence in the daily management of your specific condition
- Meet others and share similar experiences
- Learn about developing more effective relationships with health professionals.

The six-week course can help you take control of your health. It focuses on what you *can* do rather than what you *can't*. Each session is 2.5 hours, once a week where you will learn:

- How to deal with symptoms like pain and tiredness
- How to cope with depression or feeling low
- Relaxation techniques
- Appropriate physical activity

- Healthy eating
- How to effectively communicate with family, friends and health professionals
- How to plan for the future
- How to set realistic goals and pacing yourself.

The programme is run by two trained tutors who themselves live with long-term conditions and can give you practical advice based on their own life experiences.

Call us on 07487 257187 or 07939 323365 for more information. If you would like to make a referral, then call or email lwltc@citizensadvicemidmercia.org.uk

My confidence, self-esteem & feeling of self-worth are growing daily & for me the course has been a life changing experience.

Targeted Support

Individuals must be able to identify a practical support goal or an area of their life that they are currently struggling with to receive support. There should be a willingness to want to engage in further support.

You can refer on behalf of an individual with consent via our single point of access on 01773 734989 or electronically by filling in the attached referral form and returning it to derbyshirerecoverypeersupportservice@rethink.org

If you would like to discuss a referral prior to making it then email directly at Hannah.staton@rethink.org

Due to current restrictions, the majority of support will be conducted via telephone and zoom, however if there is an apparent need our workers will review each referral on a case by case basis for face to face support in the community. No home working is currently permitted.

Peer Support Groups

As per the government guidelines

<https://www.gov.uk/guidance/tier-4-stay-at-home?priority-taxon=774cee22-d896-44c1-a611-e3109cce8eae>
our peer support groups are able to remain open following strict social distancing measures. However some venues have decided to remain closed at present.

Our team of group development workers are working relentlessly to ensure each of our peer support groups have access to appropriate PPE, guidance and support to allow them to operate as safely and efficiently as possible.

Our team covers all Derbyshire Districts and for the most up to date information about groups in your area please contact the following below:

High Peak and Derbyshire Dales – @April Parker

South Derbyshire and Erewash - @Martine Roebuck

Amber Valley, Bolsover, Chesterfield and North East Derbyshire - @Mark Hudson

We are currently support 2 online support groups over zoom, for information about how to access these please get in touch.

Peer Supporters

@Ellie Scott is our Volunteer and Peer Support Coordinator who provides a package of support to the facilitators of our peer support groups. The package of support includes training, supervision and personal development opportunities. We are always looking for more peer supporters to join our existing groups or to explore the development of new groups in lacking areas. Please contact Ellie to discuss these opportunities further.

Emotional Support Helpline

We will be continuing to offer our Emotional Support Helpline until at least March. The helpline is open 9am – 7pm Monday to Friday and 9am – 5pm Saturday and Sunday. This helpline is open to anyone, but is NOT a crisis support line. Referrals into service can be made over the helpline.

Tech Buddies

Our first volunteers for the Tech Buddies scheme are almost finished their training and will be ready to pair up with an isolated individual towards the end of January. We will still be recruiting volunteers, but will open up referrals for recipients of this scheme over the next few weeks. If you would like any more information about Tech Buddies, then please contact @Ellie Scott

If you would like to discuss anything further contact Hannah Staton Team Leader Hannah.Staton@rethink.org

'Being Creative' Art Workshops!

We are so excited to get creative in 2021 with the lovely Lorna! Art is often underrated for how it helps to shut out worries and distractions; to slow things down and stop the noise. You don't need to be any Banksy, it's all about expressing yourself through shapes, patterns, colours and getting away from any anxieties or pressures of day to day life. Make sure you keep your eyes peeled on our social media for dates and other info about Lorna's 'Being Creative' workshops.

First Steps know this time is particularly difficult for many, therefore they are providing a range of weekly opportunities for their service users and anyone seeking support to come together and support each other, learn something new, create together by using their

interests and skills and just have some fun.

The First Steps team is working with some wonderful collaborators from around the country to bring opportunities which you can engage in focused on our well being and positive mental health.

Mental Health and Suicide Prevention Programme

It's Everyone's Business

DID YOU KNOW?

- Men are 3 times more likely to take their own life than women.
- In Derbyshire 80% of people living with a mental illness never seek treatment.
- Poor mental health costs workplaces up to £45 billion per year.
- Less than 1 in 5 men take time off work due to poor mental health.

OUR AIM

Erewash Voluntary Action are delivering this programme across Derbyshire (including Derby City) on behalf of Derbyshire County Council. Our aims are:

- To increase awareness of mental health problems in targeted populations.
- To reduce male suicide rates, particularly in young to middle aged men.
- To embed a positive culture for mental health and wellbeing within Rugby Clubs.
- To reduce self-harm.

OUR OFFER

- Fully funded Mental Health Awareness and Suicide Prevention Training.
- Expert support to develop a tailored Mental Health Policy and Action Plan.
- Exclusive access to a Mental Health and Suicide Prevention Toolkit.
- Support in signing up to national mental health charters and accreditations.

OUR FOCUS

The programme will support young people and young to middle aged men in non-clinical settings such as:

- Amateur football, rugby and cricket clubs.
- Independent boxing gyms and fitness centres.
- Routine and manual workplaces.
- Voluntary organisations i.e. food banks and credit unions.

Mental Health and Suicide Prevention Programme

It's Everyone's Business

DID YOU KNOW?

- Men are 3 times more likely to take their own life than women.
- In Derbyshire 80% of people living with a mental illness never seek treatment.
- Poor mental health costs workplaces up to £45 billion per year.
- Less than 1 in 5 men take time off work due to poor mental health.

OUR AIM

Erewash Voluntary Action are delivering this programme across Derbyshire (including Derby City) on behalf of Derbyshire County Council. Our aims are:

- To increase awareness of mental health issues in targeted populations.
- To reduce male suicide rates, particularly in young to middle aged men.
- To embed a positive culture for mental health and wellbeing within organisations.
- To reduce self-harm.

OUR OFFER

- Fully funded Mental Health Awareness and Suicide Prevention Training.
- Expert support to develop a tailored Mental Health Policy and Action Plan.
- Exclusive access to a Mental Health and Suicide Prevention Toolkit.
- Support in signing up to national mental health charters and accreditations

OUR FOCUS

The programme will support children, young people and young to middle aged men in non-clinical settings such as:

- Amateur football clubs.
- Amateur rugby clubs.
- Amateur cricket clubs.
- Independent boxing gyms and fitness centres.
- Routine and manual workplaces particularly in rural settings.

If your organisation needs mental health support, take advantage of this fully funded package worth over £1000 today.

Trauma Sensitive Yoga

Loss of control is at the core of PTSD and complex trauma...

Trauma Sensitive Yoga therefore focuses on empowerment of the individual; the importance of reinstating control is pivotal.

Agency is the capacity of individuals to act independently and to make their own free choices: this is what we offer in [Trauma Sensitive Yoga](#).

Trauma Sensitive Yoga aims to help individuals:

- Gain a greater awareness of their body
- Notice any sensations in their own body (interoception)
- Help to release tension (trauma) stored in their body
- Learn to tolerate bodily sensations

**Interoception – the ability to notice what is happening in one’s own body –
is a key element to Trauma Sensitive Yoga.**

Trauma Sensitive Yoga is not therapy; individuals are not expected to discuss or access their trauma memories. It is yoga that benefits and empowers individuals by helping them learn to recognise and tolerate body sensations. As body awareness become more familiar, the less overwhelming it becomes.

**Trauma survivors ‘... cannot recover until they become familiar with,
and befriend the sensation in their bodies’.**

Bessel van der Kolk

Laura offers Trauma Sensitive Yoga in a safe environment, helping people to safely re-connect with their body so that they may manage their emotions more effectively and engage more fully with their life.

CEASE.

? What is CEASE?

Based around the course creator's personal experience of supporting her best friend through an abusive relationship that ended in tragedy, CEASE is a 4 session educational programme which aims to:

- Help young people recognise the subtle indications of an abusive relationship
- Have an understanding of the options available to them should they encounter or witness such behaviour
- Identify local sources of specialist support and support access to those services
- Create Empowerment And Self Efficacy

? Why do we need it?

"A survey showed that 40% of teenage girls would consider giving their boyfriend another chance if he hit them, and one third said that cheating justified the use of violence."

In short, to save lives. To challenge abusive views and behaviour. To question negative social norms in youth relationships.

? What is the outcome?

The desired outcome of the programme is for young people to have an understanding of these key points:

- What you could do if you suspect or personally experience domestic abuse
- Who you could talk to if you suspect or personally experience domestic abuse
- Why a person cannot "just leave" an abusive relationship
- Domestic abuse is a behavioural choice on the perpetrator's part
- What local sources of specialist support are available? And how can they be accessed?

? How is it delivered?

The programme is delivered over 4 sessions. Each session encourages active dialogue within the group and uses various methods to provoke discussion. These include advert clips, handouts, statistics, music videos, newspaper articles and group brainstorming.

? What is the cost?

This will depend on the number of courses required. It is important to note that the course is being delivered by Remedi on a 100% 'not for profit' basis and will be facilitated at 'cost'.

? Who do I contact to find out more?

In the first instance please contact our CEASE lead Keely Grainger via keely.grainger@remediuk.org

"The programme is a good thing because not everyone is brave enough to speak up for themselves."

Young Person, Nottingham

"The programme really helped me."

Young Person, Mansfield

School closures, restricted services and lack of face-to-face support mean that there may be less opportunities to protect children at risk.

Exploited children and young people don't always look vulnerable and may not act like victims. If something doesn't feel right though, it might not be.

Public spaces like bus and train stations, fast food outlets, hotels and roadside services can be where young victims of child exploitation are most visible. Help to protect children and young people. **Don't wait. Report it.**

Erewash Children's Centre Virtual support.

In line with the Derby and Derbyshire Safeguarding Children Partnership guidance, an Early Help Assessment is needed to access the following targeted support from Erewash Children's Centres.

One-to-One Advice, Guidance and Support

We continue to maintain regular contact with all our families by email, video calling, telephone, text messaging maintaining relationships and supporting families as issues arise. We will also visit families should the need arise whilst following government guidance on social distancing. Erewash Children's Centre teams are available to support more complex needs and swift referral processes are in place.

Baby Buddies

By parents/carers engaging in a reciprocal relationship with their baby, this will encourage development that will provide the foundation for language, social development and emotional regulation. Parents will understand that babies/children develop at different rates from each other but will go through the different stages usually in the same order.

The sessions will enable parents/carers to understand early childhood development, safeguarding and how parents can support children's learning by understanding brain development, attachment, ages and stages of their child's development, play, stimulation and early language building.

Parents will gain an understanding of their own self-care along with how this impacts on their babies' development and well-being.

Connecting families to a range of health services within their community as need arises.

Little Learners

The children will be supported with their early learning and development with the aim of being 'school ready' by the time they start accessing their full time school place. The 10 keys to unlocking school readiness will be shared with parents/carers to show them what is expected in the early years as identified by

Baby Basics is a volunteer-led project aiming to support new mothers and families who are struggling to meet the financial and practical burden of looking after a new baby. Baby Basics Long Eaton started in May 2019, and will support families across Long Eaton and the surrounding area, working with a wide range of frontline health and social care professionals and local charities.

Based out of Trinity Methodist Church, Long Eaton, we provide much needed essentials and equipment to mothers and families who are unable to provide these items for themselves; including but not limited to teenage mums, people seeking asylum and women fleeing domestic abuse and trafficking.

Working with midwives, health visitors and other professional groups to provide support directly where it is most needed, Baby Basics volunteers lovingly collect, sort and package a 'Moses Basket' of clothing, toiletries and essential baby equipment as an attractive gift to new mothers.

The aim is to help these new mothers practically and generously, demonstrating the love of God through our care. God is at the centre of Baby Basics as we are inspired and motivated by His heart for everyone. Every day we continue – and every item we send out, is thanks to His kindness, grace and provision. Do You Know Someone Who Needs Our Help?

If you work with vulnerable women or families who are struggling to provide for their newborn baby please get in touch with us via this page or email us babybasicslongeaton@gmail.com

If you would like to donate any items for our Moses baskets please do check out our list of required items on our website page http://www.trinitylongeaton.org.uk/baby_basics

Home-Start Erewash is a non-statutory service, offering non-judgmental support where other services may not succeed. We therefore welcome referrals from agencies within the Erewash area, who feel that our support would benefit a family in need.

In addition to our volunteer one to one support, we are now offering support for psychological well-being including a virtual cafe enabling families to feel less isolated, Breathe Together; a virtual programme focused on support to improve emotional well-being and one to one psychotherapy. Due to Covid-19 restrictions we are offering the majority of our services virtually.

We are reliant on the availability of volunteers so are generally unable to give guidance on waiting lists and assessments.

Grants for families raising disabled children are available now from Family Fund

Family Fund is a UK-wide charity that provides grants for essential items to families on low incomes raising disabled or seriously ill children.

Since the beginning of the pandemic, Family Fund has continued to provide vital support to families, and has seen a significant increase in applications. Research indicates that half of the families they support have lost income as a result of the pandemic.

In May, in response to this extra need, the Department for Education provided a further £10 million in additional funding to the £27.3 million it had already committed to Family Fund, which has allowed them to support thousands more families.

This funding is still available, and families can apply for a grant right now by visiting the [Family Fund website](#). All families can apply online, by downloading an application pack, or by ordering a pack to be sent to them.

Are you a parent or carer of a 2-year-old?

If so you could qualify for up to 15 hours of free childcare a week.

Your 2-year-old can get free childcare if you receive working or childcare tax credits or certain benefits. You can find the 2-year-old eligibility criteria here www.derbyshire.gov.uk/fcc

- We also offer free childcare to 2-year-olds who:
- Are children in care
 - Have an Education, Health and Care Plan
 - Have left care through special guardianship, an adoption placement or child arrangement order (residence order)
 - Are receiving Disability Living Allowance

- The funding can be used with a range of providers including:
- Childminders
 - Pre-schools
 - Nurseries

When will the funding start?

Funding will start the term after your child's second birthday – see examples below:

My child is 2 between:	When do they get free childcare?
January 1 – March 31	After the Easter holidays
April 1 – August 31	In September
September 1 – December 31	In January

When you've completed your online application

If you qualify, you'll receive confirmation which will include a unique six digit code and start date.

You'll need to present your six digit code to your chosen childcare provider before your child can take up a funded place.

The funding will stay in place until your child becomes eligible for 3 and 4-year-old funding regardless of any changes in your circumstances.

Early education and childcare is great for children as they can learn through play, make new friends, try different activities and get a good start in education.

You can also register your interest in future courses once we are delivering face to face: HENRY starting solids, Healthy eating and active workshop and HENRY a healthy start in childcare. All details can be found by following the above link.

Healthy eating and lifestyles for families

This interactive e-learning course is designed for anyone interested in improving their eating habits and lifestyle. It also supports people to think about the importance of being active with hints and tips to do so. We hope you enjoy the experience and its first step to making positive changes. The e-learning takes around 45 minutes to complete.

This course will help you:

- understand more about what you eat, diet advice and food portion sizes
- find suggestions for activities and ideas for developing this learning with children

Apply if you are:

- parents or carers
- early years and childcare staff
- health and social care staff
- children’s centre staff
- foster carers
- food bank staff
- primary school and nursery staff
- NHS staff

The Breastfeeding Network

It's a strange and unsettling time for everyone right now, especially new parents.

We've had to make some changes to our service to fit with venue closures, infection control measures and sensible distancing precautions, but there's still lots of support we can offer you.

We will update this document as things develop but here's what you can expect from us over the coming weeks

Contacting your Dentist

Access to NHS Dentistry is currently limited during the pandemic as dentists have been asked to stop all routine "face-to-face" dental care. However, if you need urgent dental care, help is at hand:

CALL your dental practice: They will give you advice over the telephone and make arrangements for you if you need to be seen. If you don't have a dentist, find your nearest dentist and CALL them. You can search for your nearest dentist at: <https://www.nhs.uk/service-search/find-a-dentist>. You can also contact NHS 111.

Communication Unlimited provide sign language interpreting in a range of situations, they are still open during COVID-19 and can help if you have a health appointment, if you need to get a repeat prescription or need to call the doctor etc. They cover the whole of Derbyshire.

Mental Health and Wellbeing Support for Children, Young People, Parents and Carers during Covid-19

We know that the closure of schools due to the Covid-19 pandemic has the potential to be an anxious and uncertain time for children, young people, parents and carers across Derby and Derbyshire. We are pleased to be able to offer services to support the whole family. You will find information attached. We would again be most grateful if you could support us in sharing this information.

If you have any questions or concerns then please do not hesitate to contact us: ddccg.enquiries@nhs.net

New from Parent Info: active gaming and Roblox guide

Gaming can be an active experience for children and young people. A new Parent Info article explores [how active gaming](#) works and the games available that help them stay active.

Parents and carers asking for advice on Roblox? Share [Parent Info's guide](#) which takes a look at how the platform is used and how it can be made safer for children.

Are you feeling worried about how the children in your setting will cope with the return back to nursery?

As we move closer to babies and young children returning to nursery, we need to consider how their experiences over the past months will have affected them, and what impact this may have on their transition back into childcare.

Our Early Years in Mind team have put together these resources to help early years workers to start planning now for how they may be able to help oil the wheels of this important transition, and make it as stress free for young children as possible.

Information See Hear Respond

The See, Hear, Respond Partnership is a new service funded by the Department for Education. With your help, the See, Hear, Respond Partnership will quickly identify and support children, young people and families who are struggling to cope with the impacts of coronavirus.

Its aim is to provide early intervention before these children reach the threshold for statutory intervention.

See, Hear, Respond does not replace your usual referral process for children who meet a statutory threshold for significant harm: such referrals must be made to your local authority safeguarding team using your usual safeguarding procedures.

The See, Hear, Respond Partnership has been created specifically to help children and young people in England who are experiencing harm and increased adversity during coronavirus, by providing support to those who are not being seen by schools or other key agencies. There is no minimum threshold for referral. We will support children from pre-birth up to 18 years of age and those with special educational needs under the age of 25.

See, Hear, Respond will contact every referral made to us, so no child gets missed. We'll then find a partner best placed to support the most isolated and at risk children in your area. They'll get help in one or more of four ways:

- online counselling and therapy
- face-to-face support for those most affected and at risk of some of today's most pertinent issues, such as criminal exploitation, and
- helping children and young people reintegrate back into school.

an online hub of support and information

We especially want to invite referrals for families who are most isolated from support due to Covid-19, including:

- Under 5s with a specific focus on under 2
- Those with Special Educational Needs and Disabilities and where there are concerns about their welfare e.g. online safety
- Children who may be at increased risk of abuse, neglect and exploitation inside or outside of the home
- Black, Asian, Minority Ethnic and Refugee children who experience barriers to accessing services
- Young carers

Children, young people, families and professionals can find out more information about how we can help, how to contact us and more about our referral forms by using the links below.

From 5/11/20 Derbyshire Libraries are open on a **Book & Borrow** basis in line with the current government restrictions.

Due to the restrictions, we are currently unable to open Melbourne Library. This will be monitored so it can be reopened as soon as this is possible.

Libraries are currently open for their regular hours but will close at 5pm on any day/s they normally open later.

All books and other items currently on loan will be automatically renewed until 11 January 2021 and will not incur any overdue charges.

To use Book & Borrow, you will be asked to:

- ring or email the library you want to collect books from to make an appointment. You will be given a date and time for a collection slot. If you email, please include a phone number so you can be called back to arrange a time.
- provide the name and library card number for each person who wants to borrow books, plus a contact phone number.
- give information on the type of books you would like – i.e. genre, examples of authors, format, or opt for a 'lucky dip'. Maximum 10 items per person for each collection slot.
- bring your library cards or card numbers for all the people you are collecting for, when visiting for your pre-booked slot
- bring your own bags.

wear a face covering, as you would in a shop, unless you are in one of the exempt groups.

Our request service is also available for customers who wish to reserve books from other libraries. You will still need an appointment to collect requested items. All books will be issued until 11 January. We are currently unable to offer access to public computers in any of our libraries. This is all subject to change due to the nature of the COVID-19 pandemic and the government guidance that we need to follow.

ACTIVE LIVES KIRK HALLAM

GET INVOLVED

The Active Lives Kirk Hallam Project is a new local initiative to develop opportunities and to support community members.

CONNECT

Tell us how to make your area a better place to live a happy and healthy life.

We would like to set up a local youth voice for Kirk Hallam and are looking for teenagers who would be interested in creating this alongside our support.

VOLUNTEER

Spare time on your hands? Looking to support something local? We support volunteers in becoming actively involved in Kirk Hallam.

Opportunities could include; helping a local group or activity, supporting the community shop, assisting another community member, becoming a walk leader, litter picking, gardening and more.

LEAD

If you would like to start a new activity or group, campaign or represent a 'voice' for your community, we can support you in making this happen.

We support two wonderful locals in collaboration with other partners to:

- Develop the 'Let's Walk and Talk' campaign by A Mile in my Shoes
- Train and support the Wild Bears Outdoor Playgroup leader

If any of these opportunities sound of interest to you,
please don't hesitate to contact us:

Arts Derbyshire - A Necklace of Stars

Following on from the success of the first phase of *A Necklace of Stars*, we are looking for older adults who are housebound (aged 65+) from across Derbyshire to join us in a creative writing and embroidery project.

Arts Derbyshire is running a remote embroidery and creative writing project where participants receive weekly* one to one phone calls with artists 'arthur + martha'. The artists will guide people through the process of creating beautiful embroidered stars or creative writing themed around lullabies, for free.

The embroidered stars will be brought together to create a quilt which will be exhibited alongside the creative writing and lullaby soundtrack around Derbyshire's cultural venues in 2022.

A Necklace of Stars hopes to increase confidence and wellbeing, reduce loneliness, forge connections and re-ignite creativity.

If you are interested in taking part in this project (whether you have no experience or plenty), or know of someone who might enjoy getting involved, please contact Sally Roberts on 07395 904386 or email sallyartsderbyshire@gmail.com

A Necklace of Stars is an Arts Council England supported collaboration between Arts Derbyshire, DCC Public Health, Derbyshire Library Services and arts organisation arthur+martha.

* Weekly phone calls for approximately 4 weeks or until you are happy with the work you have created.

Are you the parent/carer/friend of someone living with Autism?
Do you want to meet like minded people and benefit from peer
support? Do you want to have an input into Derbyshire's support
services? If so, our Autism Alliance is the group for you!**

The meetings will be a safe and positive space where experiences, ideas, thoughts and feelings can be shared openly – however, if talking is not for you, you can simply come along and listen in. Everyone is welcome. Each meeting will also have a special guest speaker and takes place quarterly.

Here is the schedule of meetings up until July 2021:

Wednesday 20th January 2021 – Special guests Felicity Rosslyn, family and relationship therapist, who will talk about Women and Girls and Autism, as well as Citizens Advice Mid Mercia's digital learning coordinator who will talk about what online financial and benefits resources individuals may be eligible for.

Wednesday 21st April 2021 – Special guest Dr Simon Bignell – Senior Lecturer in Psychology at the University of Derby, who specialises in research into Autism, ADHD, and Technology-Enhanced Learning. Simon will talk about the research the university have been doing into ASC and what developments are in progress to further support individuals living with ASC.

Wednesday 21st July 2021 – Special guest Laurie Morgen – author of *Travelling by Train: The Journey of an Autistic Mother*. Laurie will be talking about her experiences as an Autistic mother and mother of children living with Autism and how she has turned her experiences into a career as an author, speaker and workshop facilitator specialising in Autism.

The meetings will all be held over Zoom and take place at 15:00 (3pm).

Towards Work Project - Message from Suzanne Charlton Derventio Housing Trust

The Toward Work project is continuing to work throughout the current pandemic, new participants are being welcomed on to the programme. We would welcome any new referrals that you may have. It is probably easier for you to call 07850 503 180, Suzanne Charlton, directly with the referral for the time being. We will then contact the participant to introduce ourselves then make a further telephone / zoom / face time / socially distanced meeting the following week to complete the Needs and Risk Assessments. Prior to this we will send via email, the GDPR form, so that the potential participant can send a return email, saying they are happy to proceed. suzanne.charlton@derventiohousing.com

ABOUT TOWARDS WORK

The Groundwork Greater Nottingham Towards Work project is part of the national Building Better Opportunities Programme.

Jointly funded by the National Lottery Community Fund & the European Social Fund, the programme is delivered throughout Nottingham, Nottinghamshire, Derby and Derbyshire by a partnership of local organisations who specialise in supporting people into work.

We aim to support with those first vital steps towards gaining employment through a personalised service and support to overcome barriers an individual may face.

THE TOWARDS WORK COMMITMENT

We will:

Support people to overcome personal barriers to employment and training, by providing an all-inclusive package of support to those most at risk of social exclusion.

Provide an In-Work Support service to ensure employment is sustained.

Provide a person-centred, tailored service particularly for:

- People out of work or economically inactive
- People aged over 50
- Young people not in education, employment or training
- Women returning to work or who have never worked

Offer specialist support from our partnering BAME organisations, mental health and disability specialists for those in need of additional provisions.

OUTCOMES

Towards Work offers bespoke, personalised and tailored solutions to support an individual's journey towards personal progression and employment. Individuals are linked with specialist local support and continued In-Work services, resulting in job retention.

Having enrolled on to the programme Towards Work successful participants will:

- Secure employment
- Access education or training
- Become economically active

THE TOWARDS WORK JOURNEY

Through our network of partners and their dedicated Towards Work team, participants will be supported into work through:

WORK COACHES

Each participant will be supported by their own Work Coach who will assess their needs and provide personalised support to develop confidence, self-belief and motivation, forming the basis of the journey to employment, education or training.

PERSONAL BUDGET

Recognising that there are a number of barriers to overcome, a budget is available for each participant. This can be used to help with equipment, clothing, childcare, transport, training etc to support them in accessing and preparing for work.

JOB BROKERS

A team of dedicated Job Brokers will work with local companies to secure job and placement opportunities for the participants of the Towards Work programme.

Living with a Long-Term Condition Programme

The Living with a Long-Term Condition Programme aims to help you take control of your long term health conditions, helping you live well.

The programme is for anyone living with any long term health condition(s). Join this FREE 6 week course to help you manage your day-to-day life.

This programme is for you if:

- Your illness is affecting your everyday life
- You want things to change for the better.
- You want to achieve the best quality of life despite your condition

We work with patients, carers and healthcare professionals to create a community of people that have the skills and knowledge to help you gain confidence and live a fuller life.

The Course

People with long-term conditions face many similar issues such as fatigue, pain, frustration, stress and depression.

The course looks at how to manage these whilst working alongside your healthcare providers. By joining the course you will:

- Learn new skills to manage your health condition better
- Feel confident and more in control of your life
- Develop confidence in the daily management of your specific condition
- Meet others and share similar experiences
- Learn about developing more effective relationships with health professionals.

The six-week course can help you take control of your health. It focuses on what you can do rather than what you can't. Each session is 2.5 hours, once a week where you will learn:

- How to deal with symptoms like pain and tiredness
- How to cope with depression or feeling low
- Relaxation techniques
- Appropriate physical activity

- Healthy eating
- How to effectively communicate with family, friends and health professionals
- How to plan for the future
- How to set realistic goals and pacing yourself.

The programme is run by two trained tutors who themselves live with long-term conditions and can give you practical advice based on their own life experiences.

Call us on 07487 257187 or 07939 323365 for more information. If you would like to make a referral, then call or email

In an effort to get you some extra skills and give you the opportunity to help get your local communities back on their feet, National Citizen Service (NCS) will be running “Keep Doing Good”.

NCS this summer will be a 2 week programme delivered across August in your community, where 15-17 year olds will work in teams guided by NCS staff to Keep Doing Good.

Week 1 will give you brand new skills such as leadership, team building, presentation skills and the chance to plan your very own social action project. This will include workshops and activity sessions.

Week 2 will allow you to create and carry out your very own social action and volunteering projects. Helping the community where it needs it the most.

It's an exciting opportunity and the best thing is...it's completely free. So if you're looking for a new challenge or a chance to get out the house and make a difference, visit wearencs.com and register today! Don't worry this won't stop you from doing the autumn 2020 or summer 2021 programmes.

Erewash Children's Centre Virtual Support.

In line with the Derby and Derbyshire Safeguarding Children Partnership guidance, an Early Help Assessment is needed to access the following targeted support from Erewash Children's Centres.

One-to-One Advice, Guidance and Support

We continue to maintain regular contact with all our families by email, video calling, telephone, text messaging maintaining relationships and supporting families as issues arise. We will also visit families should the need arise whilst following government guidance on social distancing. Erewash Children's Centre teams are available to support more complex needs and swift referral processes are in place.

Baby Buddies

By parents/carers engaging in a reciprocal relationship with their baby, this will encourage development that will provide the foundation for language, social development and emotional regulation. Parents will understand that babies/children develop at different rates from each other but will go through the different stages usually in the same order.

The sessions will enable parents/carers to understand early childhood development, safeguarding and how parents can support children's learning by understanding brain development, attachment, ages and stages of their child's development, play, stimulation and early language building.

Parents will gain an understanding of their own self-care along with how this impacts on their babies' development and well-being.

Connecting families to a range of health services within their community as need arises.

Little Learners

The children will be supported with their early learning and development with the aim of being 'school ready' by the time they start accessing their full time school place. The 10 keys to unlocking school readiness will be shared with parents/carers to show them what is expected in the early years as identified by Derbyshire local authority.

To find out more about the 10 keys, go to <https://www.derbyshire.gov.uk/education/early-years-childcare/ready-for-school/ready-for-school-in-derbyshire.aspx>

The sessions will enable parents/carers to understand early childhood development and will provide them with a variety of affordable activity ideas to carry out within the home environment.

CAMHS - Supporting bereaved children during the outbreak of

Covid-19

The outbreak of Covid-19 means that many aspects of our lives have changed. School is closed for most, lots of families are working from home, and we are all having to spend more time apart. The news is full of talk of the virus and the effect it is having.

Many children and young people will have questions and worries about the virus, but those who have experienced the death of someone important or who have an ill family member might be particularly worried.

This has been created to provide information to help professionals feel more informed about how best to support children, young people and their families with bereavement.

Are you worried about a child during Covid-19 in England?

There's now one co-ordinated response centre: See, Hear, Respond

In England, call 0800 157 7015 or visit barnardos.org.uk/see-hear-respond

Funded by the Department for Education and managed by Barnardo's, See, Hear, Respond will contact every referral so no child gets missed.

We'll then find a partner best placed to support the most isolated and at risk children in your area.

They'll get help in one or more of four ways:

- ☑ a self-service online hub of support and information
- ☑ online support including advice, guidance, and one to one and group therapy
- ☑ direct, face to face intervention, or
- ☑ helping children and young people reintegrate back into school.

Don't hesitate to call between 9am-9pm Monday-Friday, and 10am-6pm on Saturday and Sunday.

Coronavirus (COVID-19): health, care and volunteer workers parking pass and concessions

This guidance describes the terms of use around the government's free council car parking scheme for NHS workers, social care workers and NHS Volunteer Responders.

Derbyshire Carers Telephone Befriending

Telephone Befriending at Derbyshire Carers Association (DCA) is a regular friendly call from a fully trained volunteer to help alleviate isolation and provide some company and light conversation to adult Carers (over 18) within Derbyshire (not Derby City). DCA phone volunteers give support, reassurance, a listening ear.

The DCA Telephone Befriending service is continuing to run in the usual manner throughout the COVID-19 period. DCA established Volunteer callers are continuing to make their calls from home, as usual, to Carers they have previously been matched with, as well as any new Carers needing a chat. DCA Peer Support staff are also helping to provide befriending calls to isolated Carers during this time of increased need.

During the COVID19 period DCA are able to continue to offer support from their Telephone Befriending service to those Carers who are, or have become, more isolated or who are extremely vulnerable. Support and signposting can also be provided during the calls, where the Carer is in need of other information and local support.

If you feel you as a Carer would benefit from telephone support, or wish to discuss the Telephone Befriending, please contact DCA on: 01773 833833

census 2021

Census 2021 will provide a snapshot of modern society

Households across Derbyshire will soon be asked to take part in Census 2021.

The census is a once-in-a-decade survey that gives us the most accurate estimate of all the people and households in England and Wales. It has been carried out every decade since 1801, with the exception of 1941.

It will be the first run predominantly online, with households receiving a letter with a unique access code, allowing them to complete the questionnaire on their computers, phones or tablets.

“A successful census will ensure everyone from local government to charities can put services and funding in the places where they are most needed”, Iain Bell, deputy national statistician at the Office for National Statistics, said.

“This could mean things like doctors’ surgeries, schools and new transport routes. That’s why it is so important everyone takes part and we have made it easier for people to do so online on any device, with help and paper questionnaires for those that need them.”

Census day will be on March 21, but households across the country will receive letters with online codes allowing them to take part from early March.

The census will include questions about your sex, age, work, health, education, household size and ethnicity. And, for the first time, there will be a question asking people whether they have served in the armed forces, as well as voluntary questions for those aged 16 and over on sexual orientation and gender identity.

Results will be available within 12 months, although personal records will be locked away for 100 years, kept safe for future generations.

For more information, visit census.gov.uk.
