

Try to do this work **after** our zoom session in Friday if you can.

Starter: Look at the lottery advert (slide 1) and discuss with another person how the impact would be different if we changed the modal verb.

Look at slide 2: What is a modal verb? Go through this information. Make sure you can explain it to someone.

Look at the cartoon slide 3: discuss

Re-order the modal verbs starting with the most likely

Slide 6 - Can you make these sentences more persuasive by changing the modal verbs?

Slide 7 - Can you think of more than one answer?

Finally: How many modal verbs can you remember from the lesson? Can you put them into sentences? You could use the mini-whiteboards.
