Michael's Way Sensory Garden

Dear Parents and Carers,

We are looking for support in planning and eventually creating our Sensory Garden which you will have read about in our recent newsletter. We are hoping that this will be a wider community project and therefore we need volunteers to make this a garden a place that all of our children can enjoy and benefit from.

We are currently at the planning stage and require help and advice from any of the following groups of people:

- Landscape gardener
- Landscape architect
- Gardener
- Ground workers
- Tree surgeon
- Horticulturalist
- Brick layer
- Fencing specialist
- Carpenters
- Welder

If you've missed the April newsletter and want to read more, click the link below:

If you think you have other skills, services or know of any companies who would like to be involved to help us design and create a Sensory Garden here at Scargill Primary School, we'd love to hear from you.

Please contact the school using the below email address with the subject line **'Michael's Way Sensory Garden'**.
